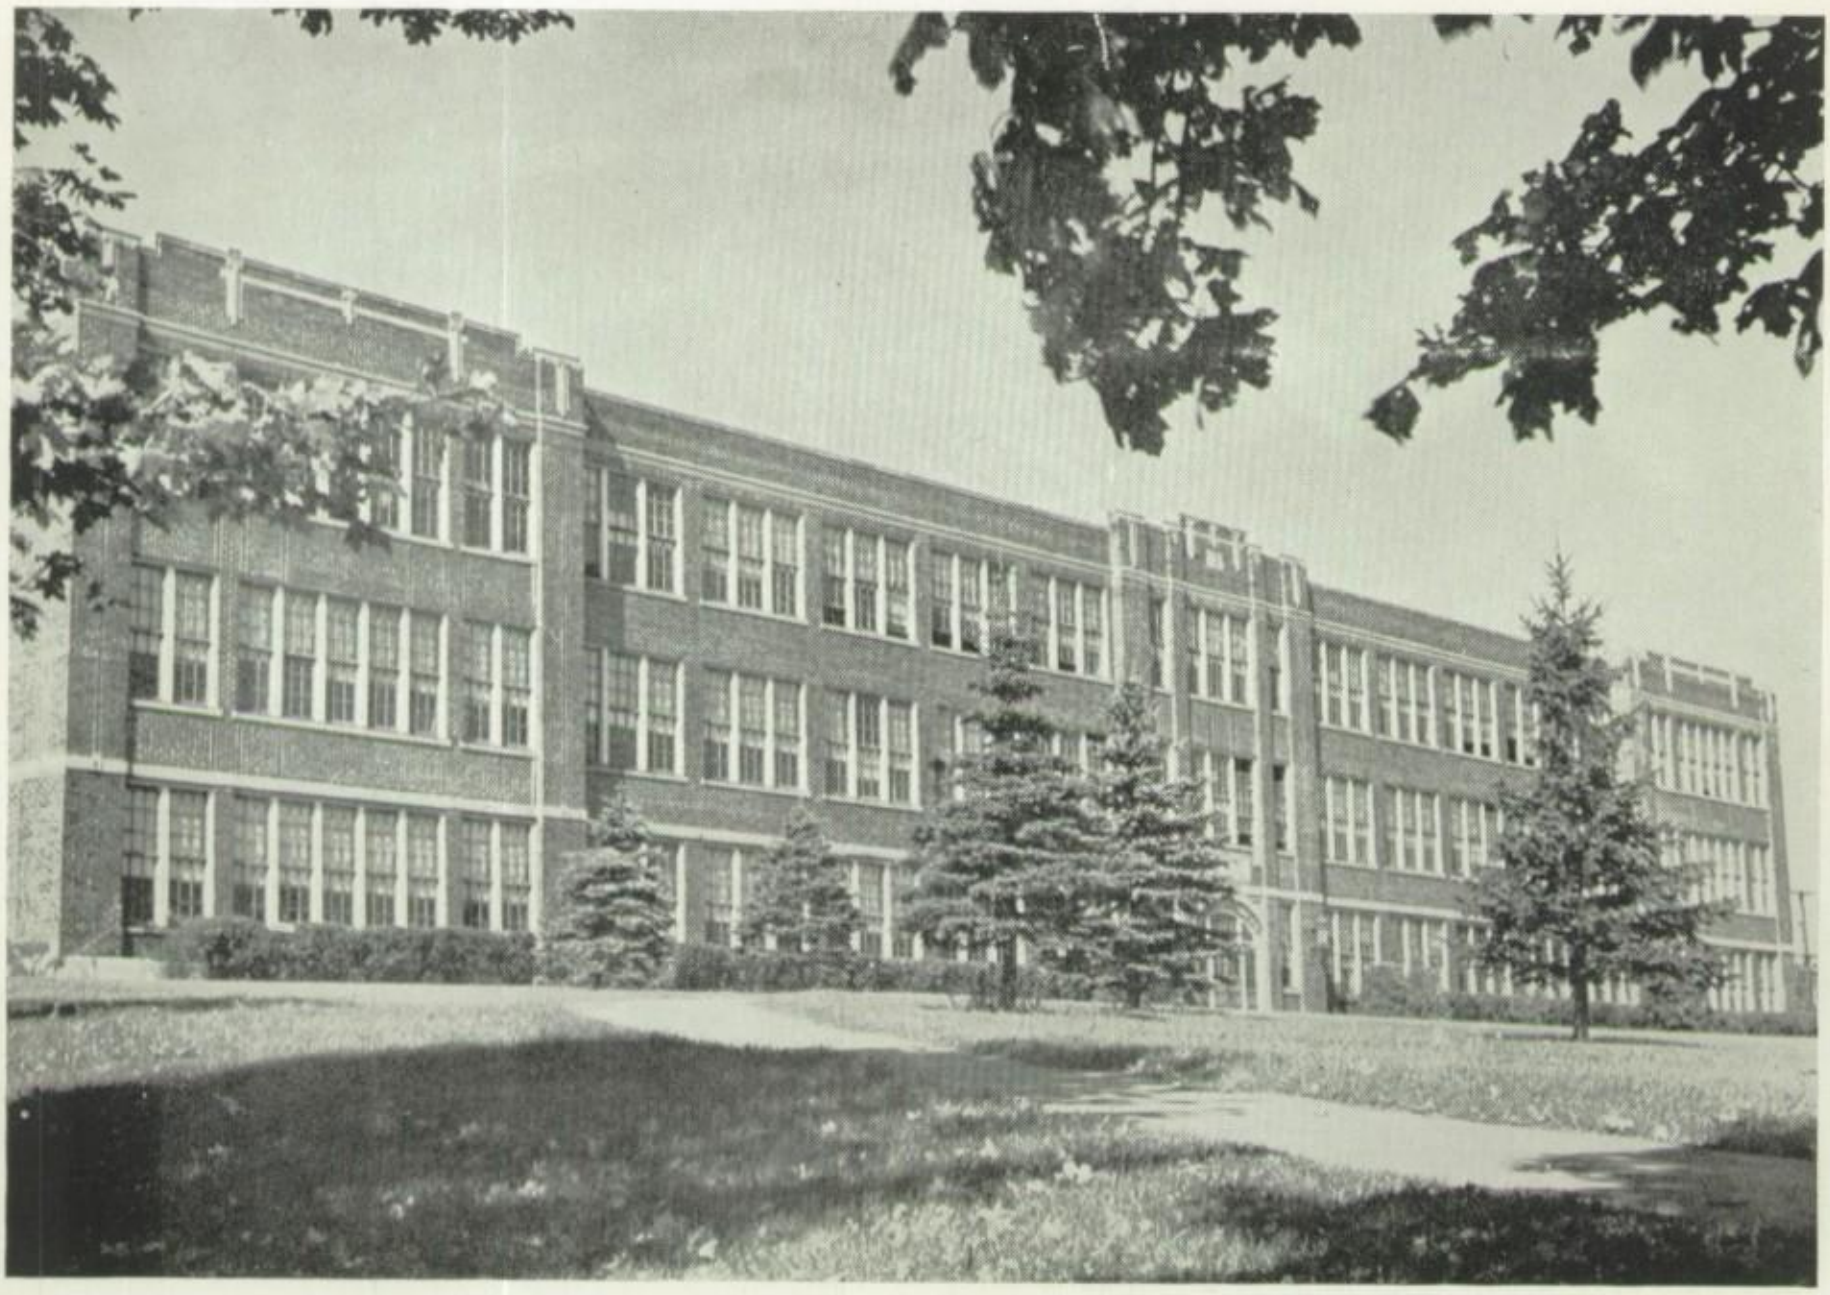
Listen to Our Story . . . . . .



. . . . . Democracy is a spirit, a hope, an ideal, which has been looking for a house in which to live. It has found its house in this country, but it has found more than that — it has found a home.

It is a fragile, a difficult form of human conduct, but it is the only one which dares to put trust in the individual.

We who live in a republic shelter the democratic ideal in our hearts and in our lives . . .

Dedication . . .

We dedicate our year book to Mr. William Farnsworth, who, with the help of many other good citizens, established the "I Live in a Democracy" program which is now in its second year . . .

★ ★ ★

Early last year the Industrial Service Committee, headed by Mr. Farnsworth and connected with the local Board of Commerce, worked hard and long on a project entitled "I Live in a Democracy".

This project set forth an account of the contribution of the community to the existence of the nation. It explained how industry operates and how it has become and will continue to be an integral part of the democracy in which we live. These facts could apply to any community in the nation. They were designed to include every phase of American life — management, labor, and capital, and producer and consumer — and to show in a down-to-earth manner how our system of enterprise operates and why it is superior to other systems.

In its first approach the committee concentrated on high school students, for they represent the plant managers, doctors, scientists, workers, and consumers of the future, and they therefore should know the story of American enterprise. The students were conducted through two of Manistee's major industrial plants, the Morton Salt Company and the American Boxboard Company. On these tours the economical principles of the two industries were explained to them.

On the adult level the program was carried on by Dr. Preston Bradley, a noted Chicago pastor and radio commentator, who was an honored guest at many men and women's meetings throughout the city. In a dynamic manner he put across a new meaning of democracy to many people.

This program was continued throughout May, but did not end there. Manistee is still carrying it on, only under a new name — "Americanism".

Last November Senator Homer Ferguson of Michigan gave several energetic addresses before large audiences in Manistee. He explained democracy further and also showed how conditions are in countries controlled by undemocratic governments.

In January Noel B. Fox also spoke to the citizens of Manistee. He made pertinent recommendations as to how we can further our democracy and continue our grasp upon our American ideals.

In February and March six local speakers appeared in the city and county high schools to again explain in detail to the students all the phases in our way of life.

Throughout the rest of this year other speakers will talk to the people of Manistee County and other activities will be partaken in to get everyone to appreciate this great American freedom.

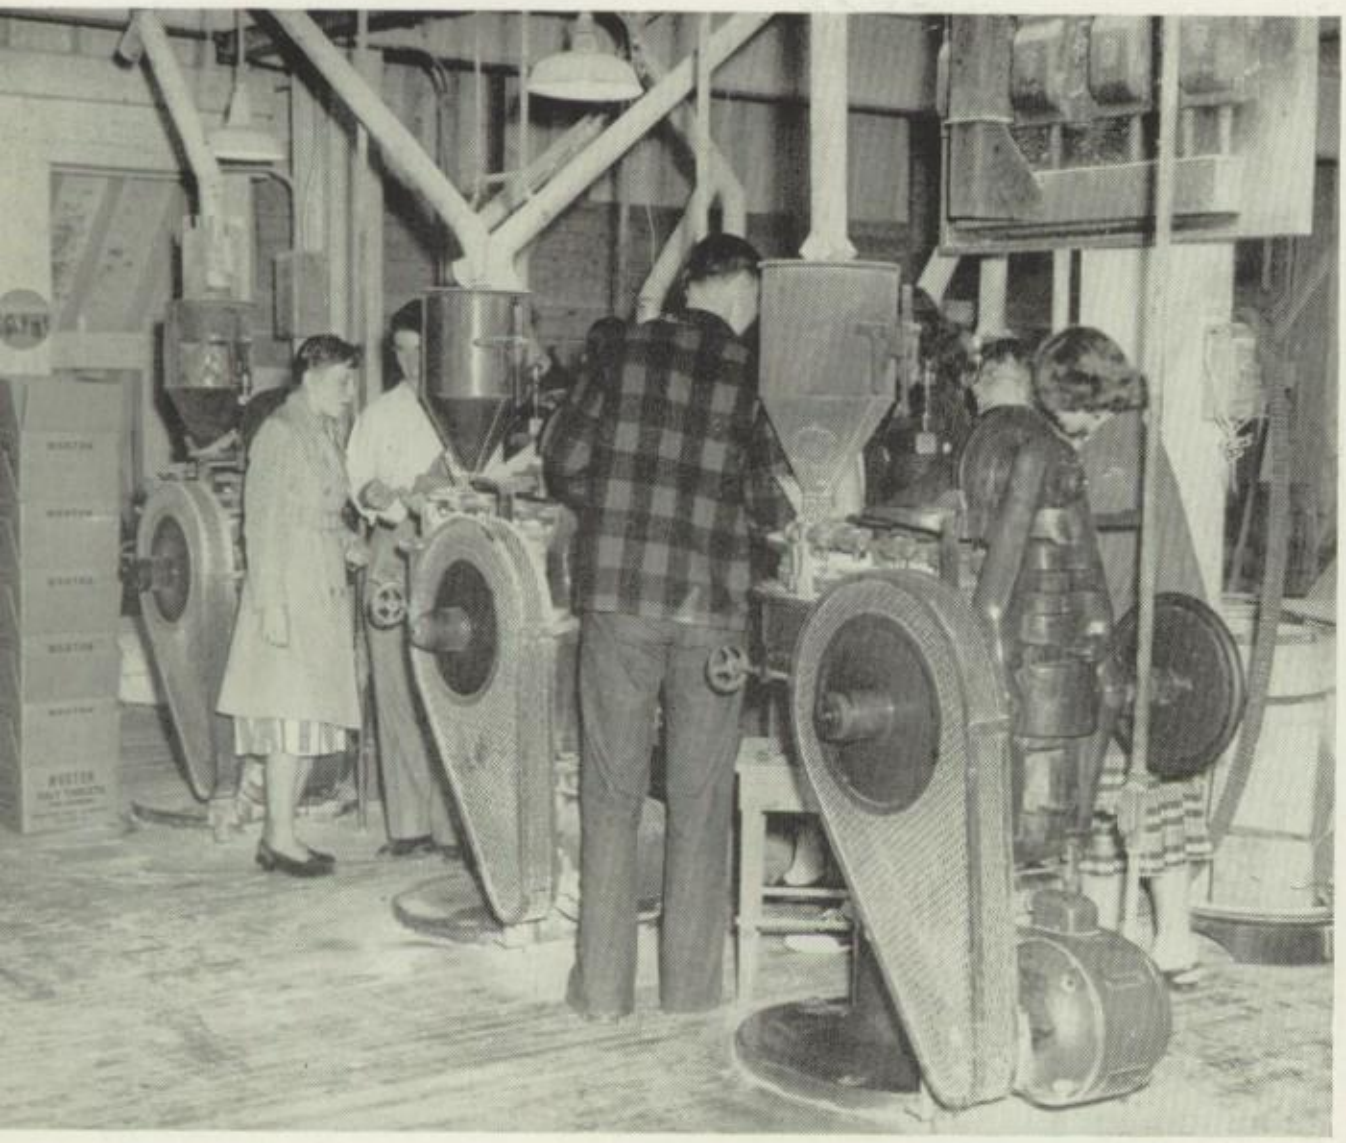
We Visit Our Industries and

study tools of production



On these tours we witness the free enterprise which is a great part of our democracy. We are shown that we have for our own use that which we produce.

We also observe the intricacies of modern machinery and we see the development of the products made possible through personal initiative and the co-operation among capital, labor, and management.

guided for our world of tomorrow

Follow us on our journey . . .

★ See us grow from our dream

★ Consider our leaders of today

★ Observe us as we buy and sell

★ Watch us as we strive to win

★ Note our unity of purpose

See us grow

"The dream of democracy is a world in which all men make themselves count by participating in the decisions that effect their lives."

—ALAN F. GRIFFIN

from our dream

Seniors

Standing - Vivian Greenhoe, Max Hegler, sponsors.
Sitting - Joan Garman, treasurer; Bob Frederiksen, vice-president; Frank Schubert, president; Shirley Wendel, secretary.

We as seniors are proud of our previous record. We have assumed and carried out the responsibilities given us.

Under the guidance of Miss Greenhoe and Mr. Hegler we began our four-year career with Frank Schubert as our leader. In our sophomore year Charles Grant was elected as our president. Our Circus Dance was a tremendous success. Holland Capper became president in our junior year. Under the chairmanship of C. G. Schindler, our J-Hop, with its theme, "A Pacific Paradise", was carried through with a smoothness and rhythm of an island breeze. In our last year Frank Schubert was again elected to be our leader. We enjoyed our educational tour of Washington in May and look forward to our graduation and Senior Prom which will conclude our high school days.

We are proud of our fine scholastic record and the high percentage of our students planning to enter college.

★ ★ ★

The eighth grade presented a play this year for the entire student body. It was entitled "Snow White and the Seven Dwarfs". Miss Holbert's mathematics class spent many hours practicing for the presentation which was warmly received by all.

. . . Consider our

"Religion, morality, and knowledge being necessary to good government and the happiness of mankind, schools and the means of education shall forever be encouraged."

Ordinance of 1787
Northwest Territory

present leaders

Western Michigan College
University of Michigan

Our Superintendent

D. L. WILDE, A.B., A.M.

Mr. Wilde, with sagacity and prudence, has supervised the policies of the entire Manistee School System, upholding the ideals of democracy and seeing that every student has a fair chance to receive an education that will help him to be a self-respecting, self-supporting citizen.

Our Principal

L. C. BENDLE, A.B., A.M.

By living in a democracy we learn that every privilege entails a corresponding duty. Mr. Bendle has untiringly devoted his efforts and abilities to help us solve our problems and lead us on the road to success and greater happiness.

Karl Howe, B.S., A.M.

Central Michigan
University of Michigan

Mr. Carlson and Mrs. Apsey teach the commercial studies — typing, bookkeeping, shorthand, and law. In these classes, students learn efficiency in office work which will prove invaluable to them regardless of what career they choose after graduation.

Mr. Howe, besides teaching commercial subjects, is business co-ordinator.

Mr. Carlson keeps order in bookkeeping class

Typists busy at work

. . . while others explore science

Max Hegler, A.B.
Central Michigan

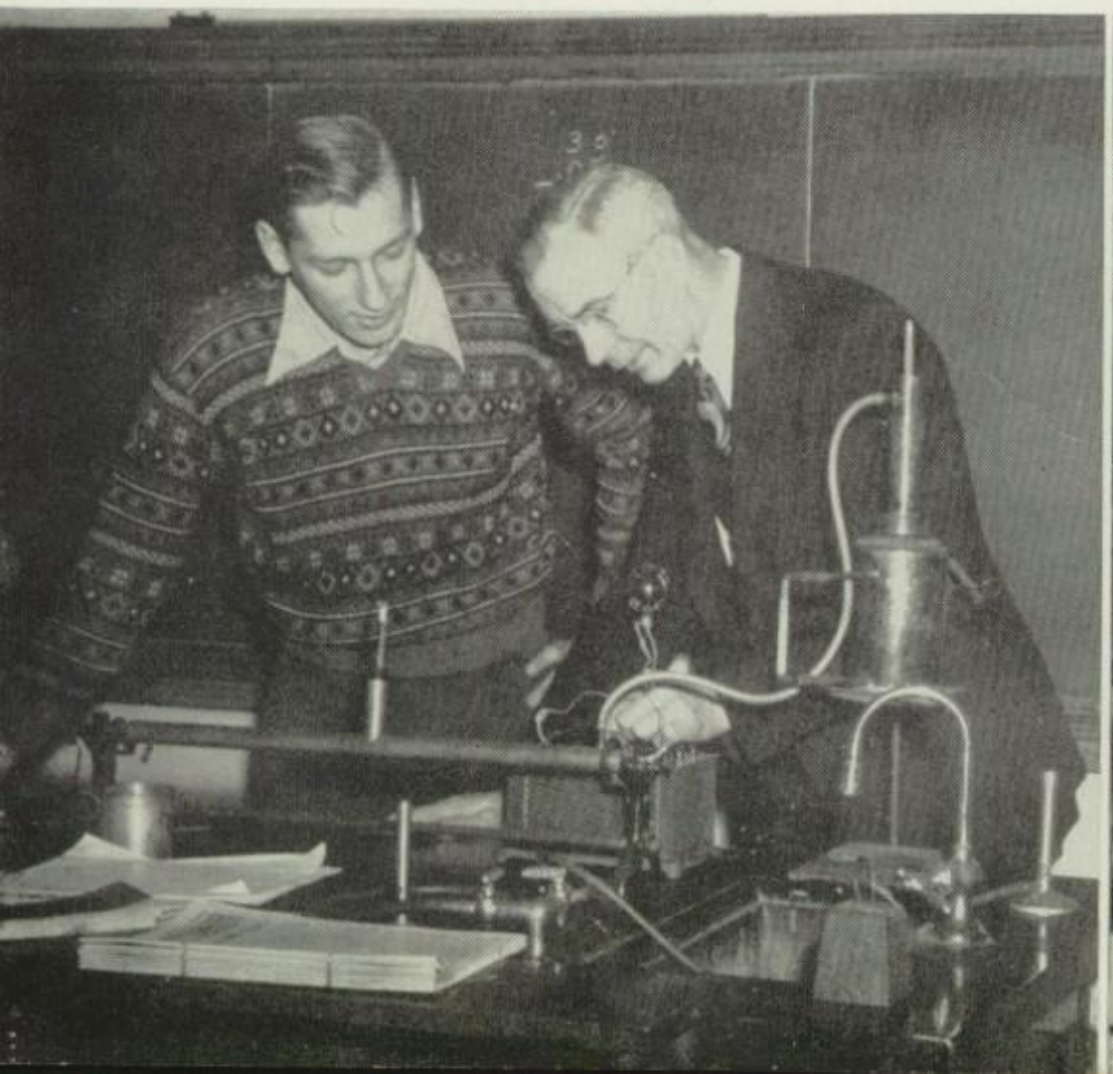
Holland Capper, A.B.
Albion College

Elizabeth Jarka, B.S.
Michigan State Normal

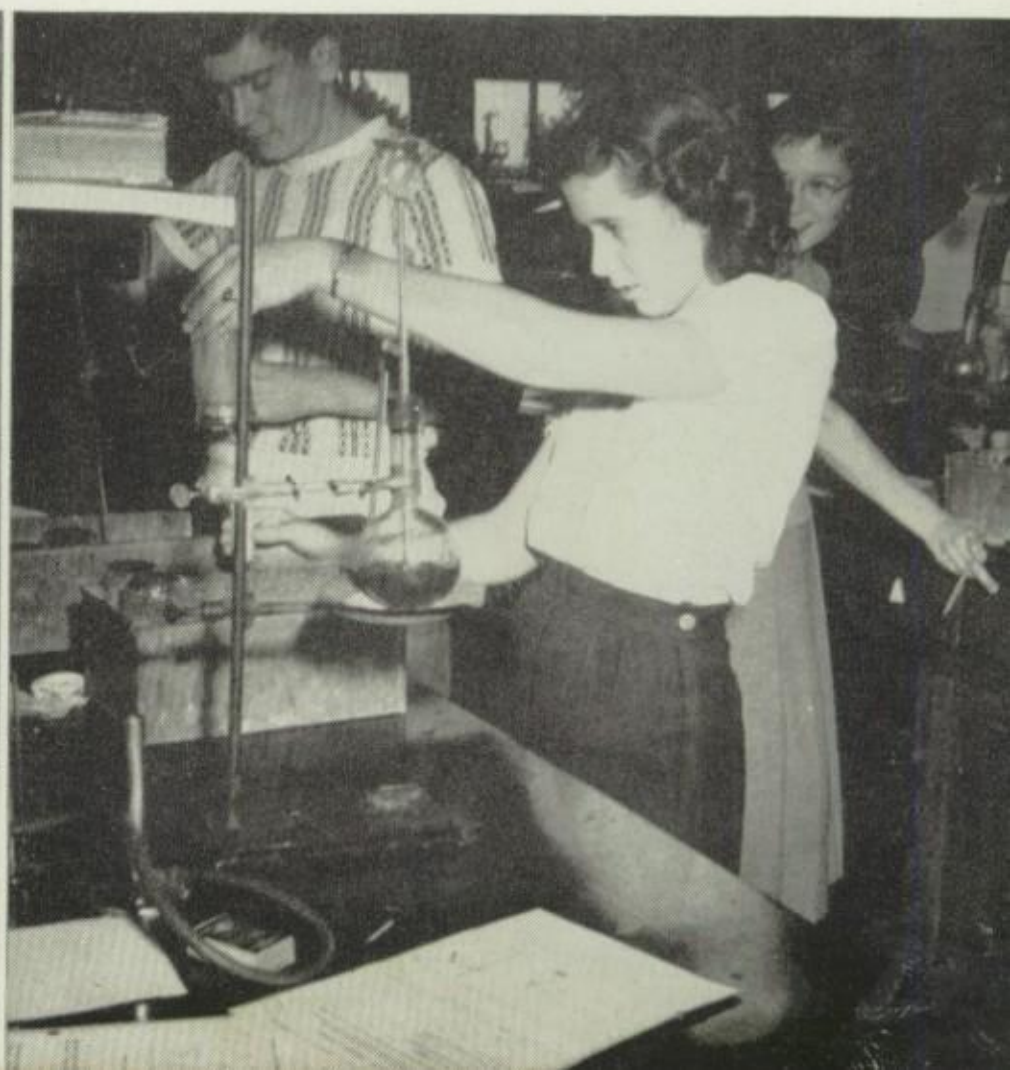
Max Hegler heads the physics department while Mr. Capper has charge of biology and chemistry. Under their expert assistance in the classroom and laboratory, we learn to apply correct and systematic thinking to various scientific problems. This training helps us to be open minded in dealing with a situation which may arise later in life.

In the eighth grade Miss Jarka teaches her students to take an interest in their environment through her science course. She also teaches civics, history, and mathematics.

Max Hegler demonstrates linear expansion



Jeannie experiments with hydrogen



We acquire mathematical skill

Norbert Radtke
A.B., A.M.

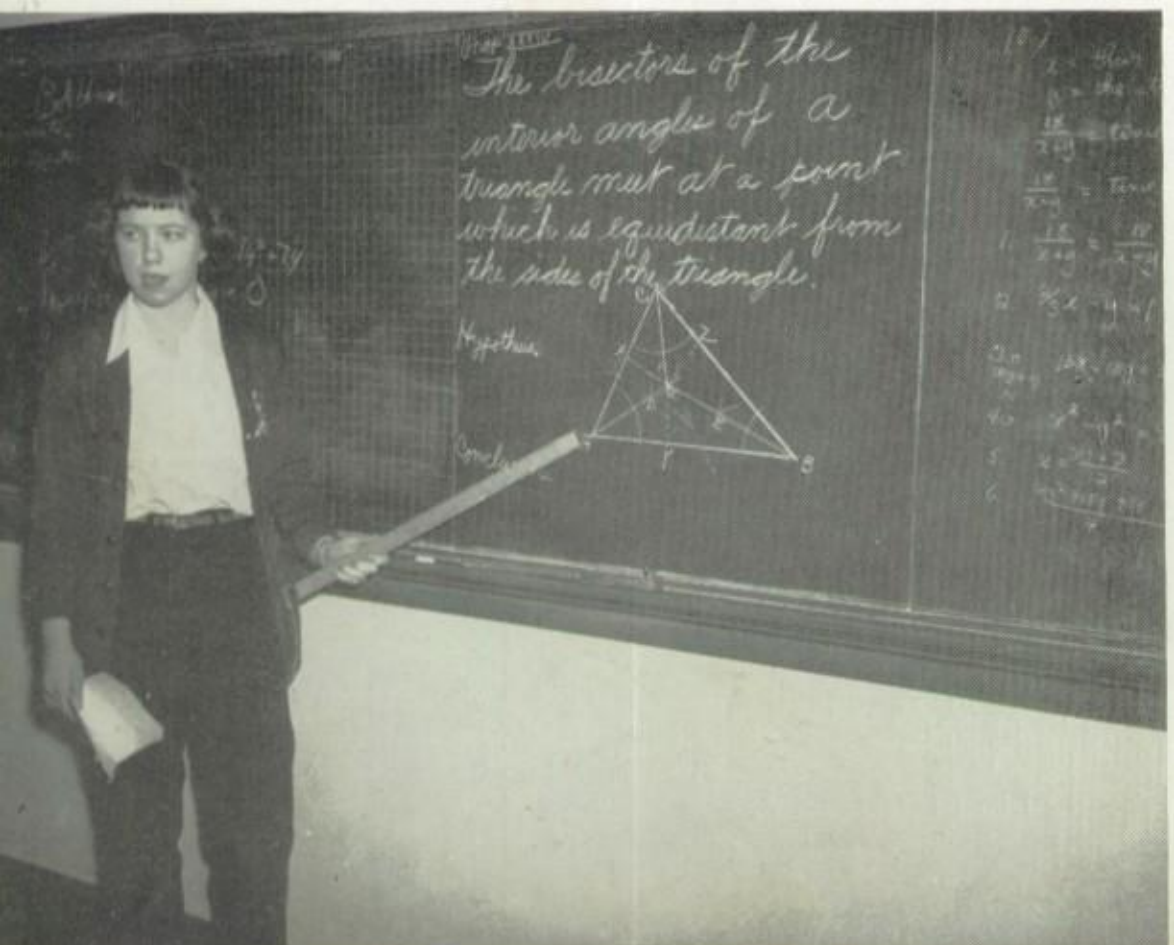
Michigan State Normal
University of Michigan

Jane Holbert, B.S.

West Virginia University

Mr. Radtke, besides acting in the capacity of vocational counselor, teaches plane and solid geometry, algebra and trigonometry. For some of the students, they serve as a foundation for their later work in higher mathematics; for others, they help develop the power of reasoning.

Teaching eighth grade mathematics and freshman algebra is the task of Miss Holbert. Through her the students are prepared for the more advanced mathematics.



JoAnn Kruse explains a problem in geometry

Our library

The library is a busy place at all hours

Elizabeth Tautges
B.A., B.S., A.M.

University of Minnesota
Carleton College

Under the guidance of Miss Tautges, we now possess a library which has a greater volume of material than most libraries for this size of school. The students are able to use its facilities during the school hours for research work on topics and selecting books for English reports.

We study fine arts

Mary Elizabeth
Poulalion, B.S.

Ohio State University

Mrs. Poulalion has done much in the art department in the one brief year she has been here. The art students are learning art history and fundamentals. Their knowledge will help them immensely if they plan to take advanced art after graduation.

Developing pen and ink techniques

Industrial courses are offered

Ralph Tuohy
B.S., A.M.

Central Michigan College
University of Michigan

Victor Simons, B.S.

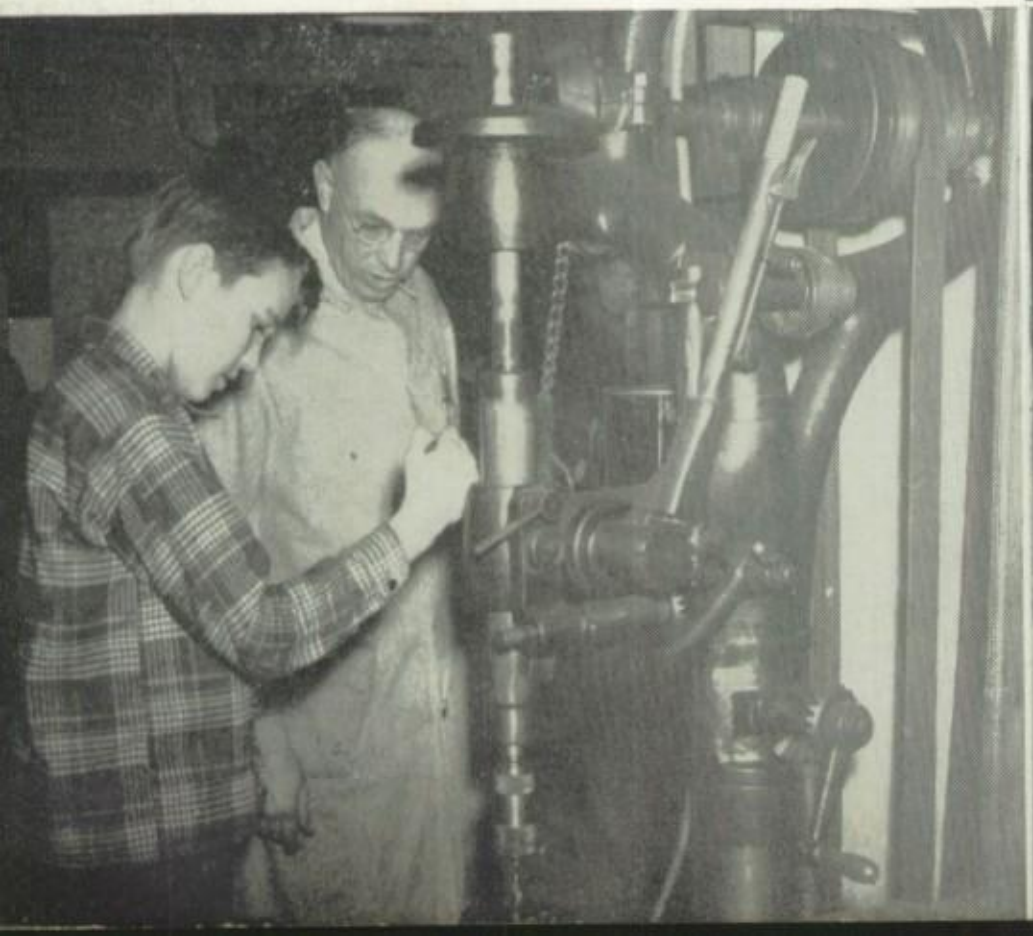
Western Michigan College

Some of the more practical classes in high school are the woodshop, machine shop, and mechanical drawing classes. These courses are under the direction of Mr. Tuohy and Mr. Simons who have had long experience in the fields of drafting and manual arts.

Top right: Woodshop class working on a project.

Bottom right: Making scaled drawings in architectural designs.

Bottom left: Mr. Simons showing the right way to use machinery.



Physical development is encouraged

Alfred Arnold, B.S.
Central Michigan College

Norma Jean Smith
B.S.
Western Michigan College

Directing the physical education departments is the job of Miss Smith and Mr. Arnold. In the gym classes the students learn the fundamentals of proper body exercise to keep themselves healthy and happy. Besides having fun in their activities they learn important assets like practical first aid and good sportsmanship.

Girls' Gym Class enjoys a game

Exercise promotes physical fitness

Musical talent is improved

FOOTBALL 1949

Manistee 12 — Petoskey 24

In their first game of the '49 season, the Chippewas lost to a superior Northmen team. Petoskey possessed a hard running offense that could not be stopped. The Tribe scored on a beautifully executed double pass, Schubert to Brzezniak to Jankwietz. Schubert also scored on a short plunge.

Manistee 6 — Ludington 24

The Chips started out in fine style and scored early, only to have it nullified. This seemed to be the turning point, for it was after this that Ludington began to roll and gradually increase its lead. Brzezniak scored late in the game as he scampered a neat sixteen yards to paydirt.

Bottom row: Calleson, Tobey, Olson, Lijewski, Bryck.

UNDERCLASSMEN

Manistee 7 — Big Rapids 21

The Chips were trounced in their first out of town game by the Big Rapids Cardinals. Two of the Card TD's were made on long runs and the third on a short plunge. All three extra points were from placement. Manistee scored in the first half on a series of passes and a short run by Schubert. A pass from Jach to Jankwietz gave the Chips the extra point.

Manistee 26 — Canadian Soo 6

Going out of the country made a fine trip, and returning victorious was even more eventful. The Tribe didn't get started right away, but soon opened with a powerful aerial attack that completely snowed under all Soo hopes. The scores were made on plunges by Bernaciak and Walter, a pass from Schubert to Jach, and a snazzy double pass, Schubert to Brzezniak to Jankwietz.

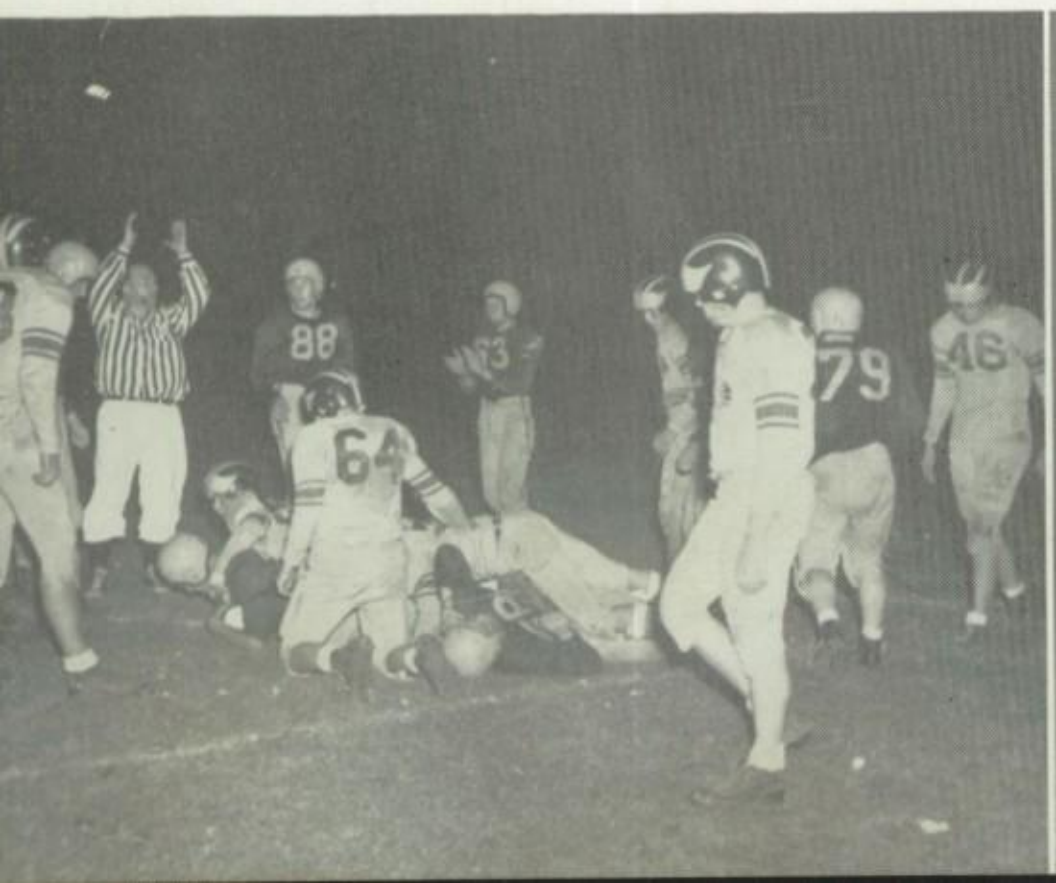
Manistee 19 — Traverse City 25

In one of the best games of the year, the Tribe was beaten in the last two minutes on a long run that resulted in a TD. The Chips nearly scored on the last play of the game as a pass almost found its mark. The Chips' scores were made by Callesen, Brzezniak, and Jach on a pass from Schubert.

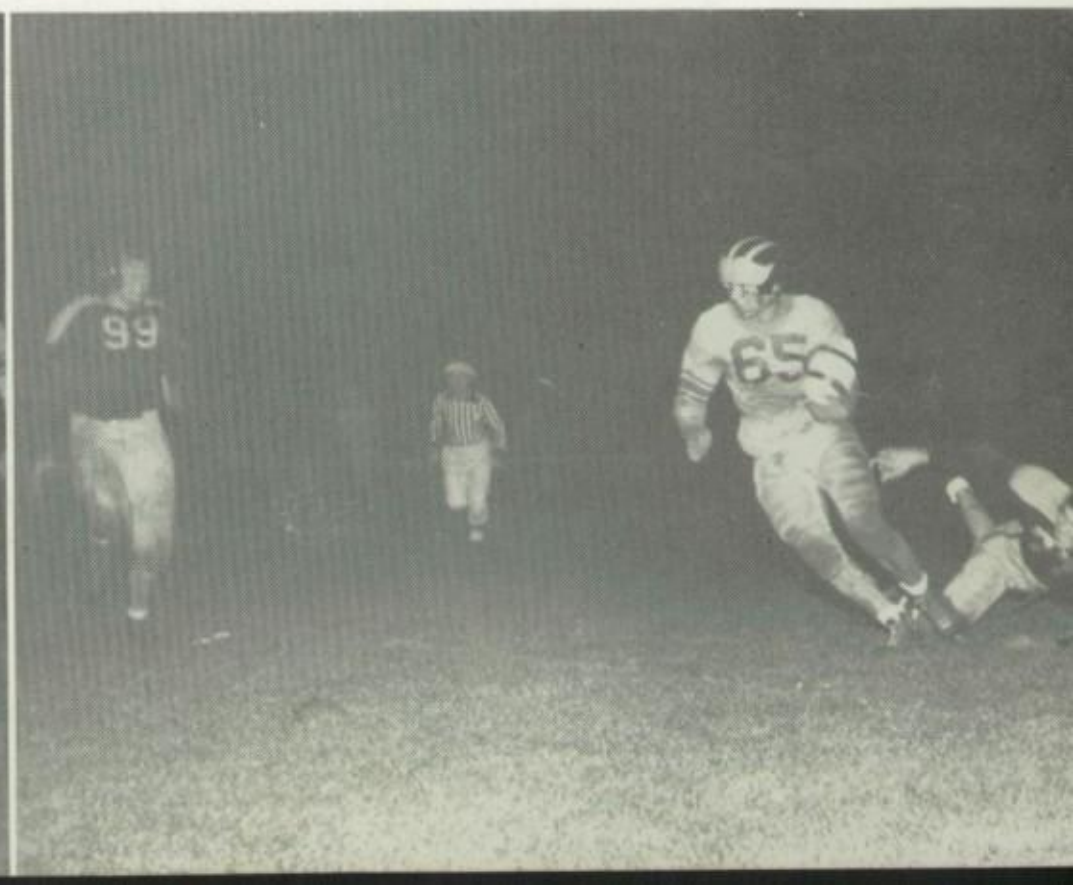
Manistee 0 — Cadillac 45

Cadillac's conference champion Vikings went to work early as the Tribe helped their cause with a fumble and blocked punt. Cadillac took to the air, taking the Tribe by surprise as they had been a great running team. It was the only time the Chips had been held scoreless all year.

Six Points for Cadillac



Jach scores against Traverse City



Early practice

Touchdown for Manistee!

Miller injured

Manistee 14 — Mt. Pleasant 27

The Oilers possessed a heavy line and a hard running backfield that gave them the extra punch they needed. Manistee was in the ballgame for much of the evening but failed to get the spark that leads to victory. Brzezniak scored on a jaunt that covered 60 some yards. Jach scored on a pass from Schubert.

Manistee 6 — Ludington 25

The last game of the '49 season ended in defeat for the Redskins. The Orioles gained consistently on the ground and gradually worked themselves into scoring position. Brzezniak scored the Tribe's lone touchdown after Callesen gained repeatedly through the center to set up the tally.

The bus to traverse City

What's wrong, Dick?

Nice game, Son!

SEASON HIGHLIGHTS

Manistee 50 G. R. Catholic 42
Manistee 33 G. R. Creston 30

When the Chips beat Catholic, it was the first season opener that they had won since 1945, when Catholic lost. By beating both Catholic and Creston, the Tribe kept intact their knack of beating Grand Rapids class A outfits.

Manistee 63 Big Rapids 57

The Ferris Institute gym was a puzzler until this year when the Tribe outlasted the Cardinals in an overtime game. It was by far the most exciting and best played game of the year both in and out of the conference for the Chips.

Manistee 41 Traverse City 38

Though it took twelve starts to turn the trick, the Tribe finally managed to whip the Traverse Trojans. It wasn't until after the automatic time out when, trailing by seven points, the Redskins went ahead to overcome the deficit and triumph over their opponents.

Manistee 34 Ludington 32

It was the first time in six years that a Manistee team had defeated the Orioles on the Ludington floor. The game was won in the last 30 seconds.

TRACK

Track has been rapidly becoming a sport of much interest. Last year the Tribe trackmen won only a single meet, but most of the team were young and inexperienced. The win was in a triangular meet that was composed of Frankfort, Benzonia, and Manistee. The Redskin thinclads also participated in the Central Michigan Relays, the regional and conference meets, and numerous other dual meets.

Wurts was a consistant point getter throughout the year. He placed in the conference and regionals, and also took part in the state track meet. Schubert took a fifth in the conference shot put. Capper, Jach, Callesen, and Suess were also able to win points.

GOLF

The golf team under Coach Tuohy won two and lost four.

Absent: Ziemba. *Director:* Mr. Maxwell.

Under the able direction of Raymond Maxwell, the band and chorus have made rapid progress. Mr. Maxwell came to us this year from Middleport, Ohio, where he taught during the previous year.

The chorus staged a successful public concert in the high school auditorium on March 31. They also sang before Rotary and for the Teachers' Institute on March 24.

As a climax to a successful year the chorus pleased a large audience with an impressive performance at Baccalaureate.

The Manistee High School Band has taken an active part in many school and civic affairs during the past year. It traveled to several out of town games as well as playing for all home games and community parades.

On February 28 they gave their annual public concert. They also put on an assembly for the student body earlier in the year. An M. R. A. dance was sponsored by the band.

Band members are awarded letters for their efforts. Since a large number of students are returning, Mr. Maxwell is looking forward to many successful seasons.

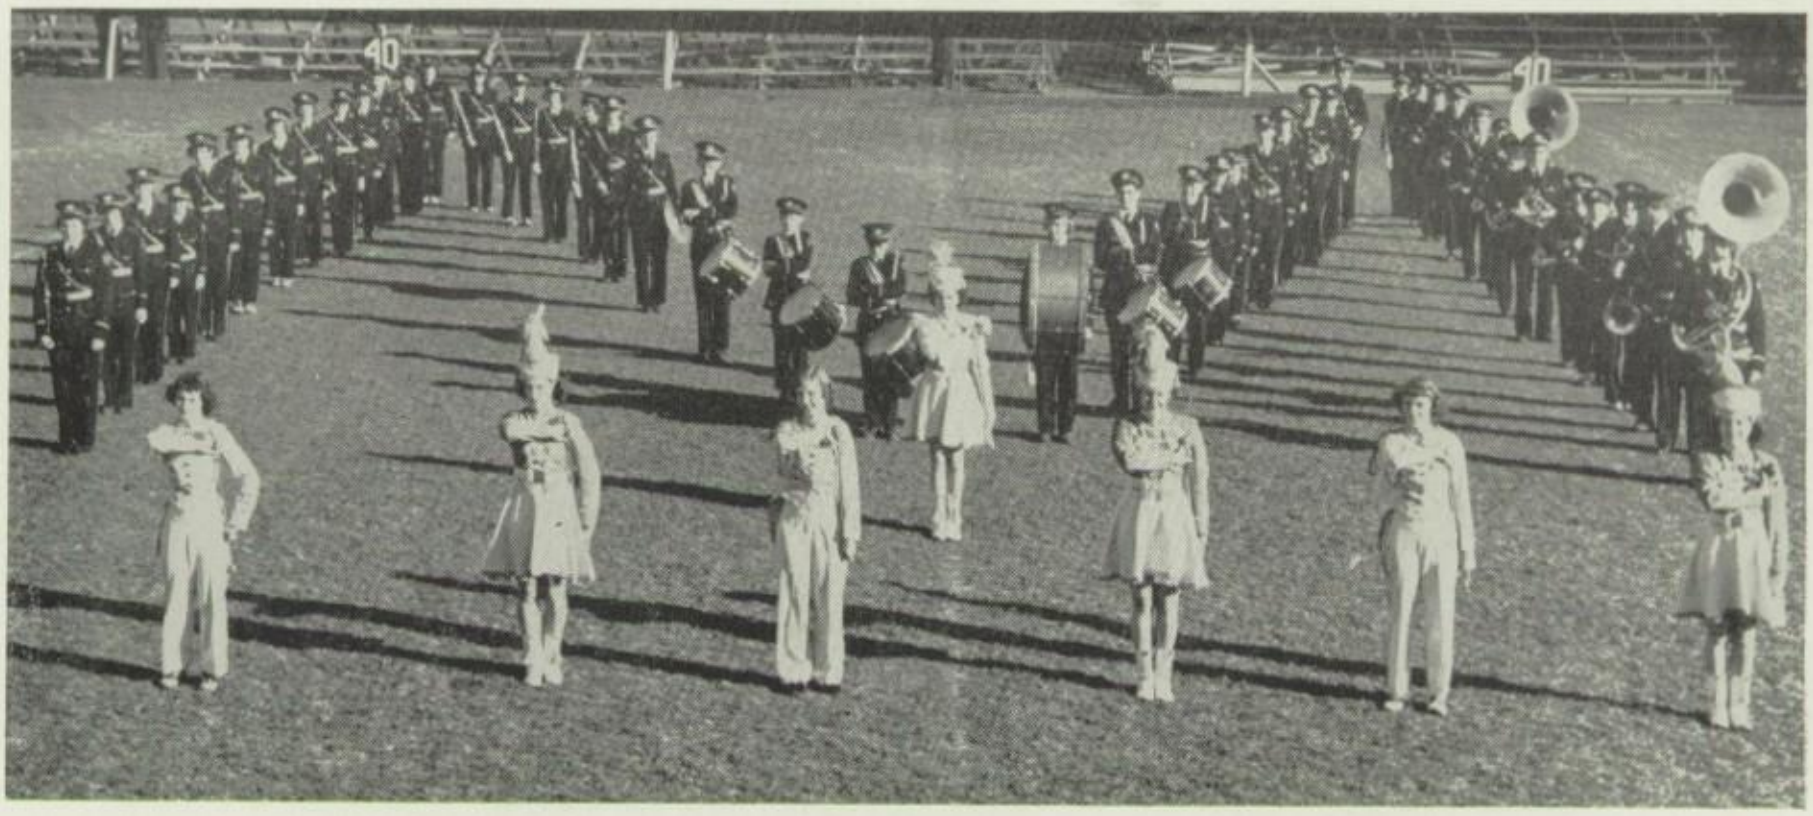
achieve a common goal

Going to a game away.

Bev Wendel, captain of our drum majorettes.

The band goes to Traverse.

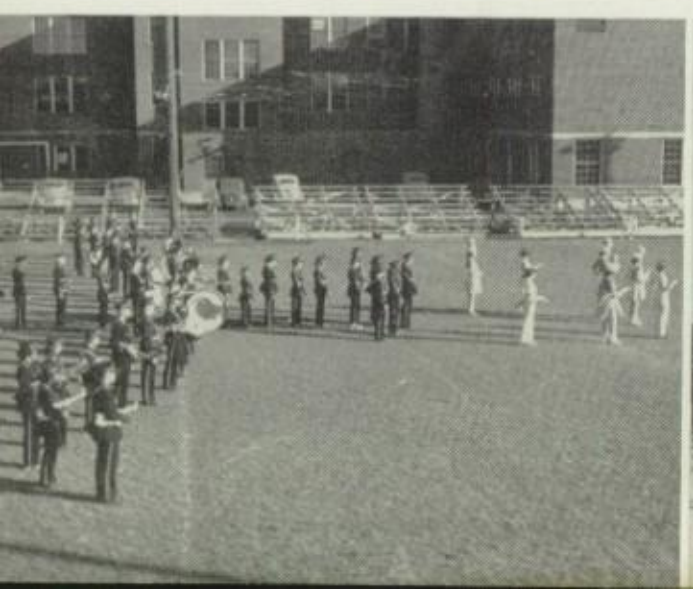
The band forms an "M" at one of the home football games.



BAND MEMBERS

D. Anderson, Behm, Bristol, E. Erickson, J. Hanson, Kuehl, J. Kruse, Lundbom, Makinen, Martin, Miller, Peterson, Stolt, Tarr, M. Thompson, Wendel, Brooks, Deehr, Hanson, Nice, Reed, Staffeld, Stubbs, R. Tobey, S. Anderson, Hamlin, J. Tobey, Jackie Kruse, M. Capper, A. Thompson, Grant, pres., Michalak, McCorkle, Bouma, Kenny, Schindler, Bridge, H. Capper Jr., Norconk, Cawthorne, Erickson, Pruess, G. Hanson, Larson, Christianson, Clason, Popa, Adams, Cabot, Johnson, Peterson, Mr. Maxwell, director.

A bow and arrow formation.



On parade.

The clock shows the correct time.

Stars of our stage

Row one: Ziemba, sec., Kott, treas., Mrs. Kulow, advisor, Mason, vice pres., Kuenzer, pres.

Row two: Lloyd, Shirley, Nelson, Reed, Brooks, Kruwell.

Row three: Kruse, Lacey, Madsen, Peterson, D. Anderson, S. Anderson, Burden, Jensen.

During the year 1949-50, the Dramatic Club students, under the guidance of Mrs. Kulow, have met in regular class periods. They have studied the history of drama, including the Greek and Roman periods, the Miracle and Morality plays, the Elizabethan Restoration, Eighteenth Century, the Realists, and the moderns. Each student has written a one-act play and worked on a stage project.

The following plays were presented in assemblies: "An All American Family," "Christmas Bells," "Comin' Round the Mountain," and "Wilbur Faces Facts."

The annual trip to the high school play festival at Central Michigan College was taken when "Wilbur Faces Facts" was presented.

Plays were also given before the Kiwanis club and the Junior and Senior Lakeside clubs.

The National Thespian Dinner was held in May. In all, the club has had a happy, prosperous, and educational year.

Scene from play "All American Family," presented in assembly.

PEP CLUB

Row one: Garman, sec-treas., Leet, asst. sec., Bernier, pres., Mayhew, vice pres.
Row two: Haley, Zwiefka, Kruse, Field, Lacey, Mason, Richwalski, Lyon, Johnson.
Row three: Mr. Carlson, advisor, Albright, Kuenzer, Michales, Biederman, Peterson, Rice, Hengeveld.

The Flying Chips

Row one: Callis, J. Bauman, Cole, G. Hebner, Beebe, E. Bauman.
Row two: Racine, Kruwell, Tuton, Peterson, Showalter.
Row Three: Masked Marvel, Ross, Roskosky, Adams, Merkey, Dittmer.
Row four: Clason, Hamlin, Beebe, Koon, Hebner, Deehr, Johnson.

Al Arnold started the Manistee High School tumbling team in 1937 and it has come to a point where this year's team is one of the most balanced teams ever developed here.

It meets every Monday and Wednesday night throughout the school year. In the summer months this sport attracts about 150 enthusiasts.

During the course of a year the twenty-five varsity tumblers put on programs for the Frankfort and Freesoil high schools, take part in the county fair and the annual Band-Gym Frolic. Another affair is the Sands Circus which has attracted as many as 3,000 people in the past.

The team displays one of its many pyramids.

Character Builders

HI-Y

Row one: Smithe, treas., Schubert, sec., Larson, vice pres., Schindler, pres.
Row two: Popa, Kruse, Adams, Amor, Clason, Switzer, Ray, Mr. Radtke, advisor.
Row three: Bauman, Racine, Ingells, Johnson, Thompson, Reed, Bryck, Kruwell, Capper.
Row Four: Close, Fisk, Nelson, Erickson, Suess, Shirley, Frederiksen, Hanson, Edens.

TRI-HI-Y

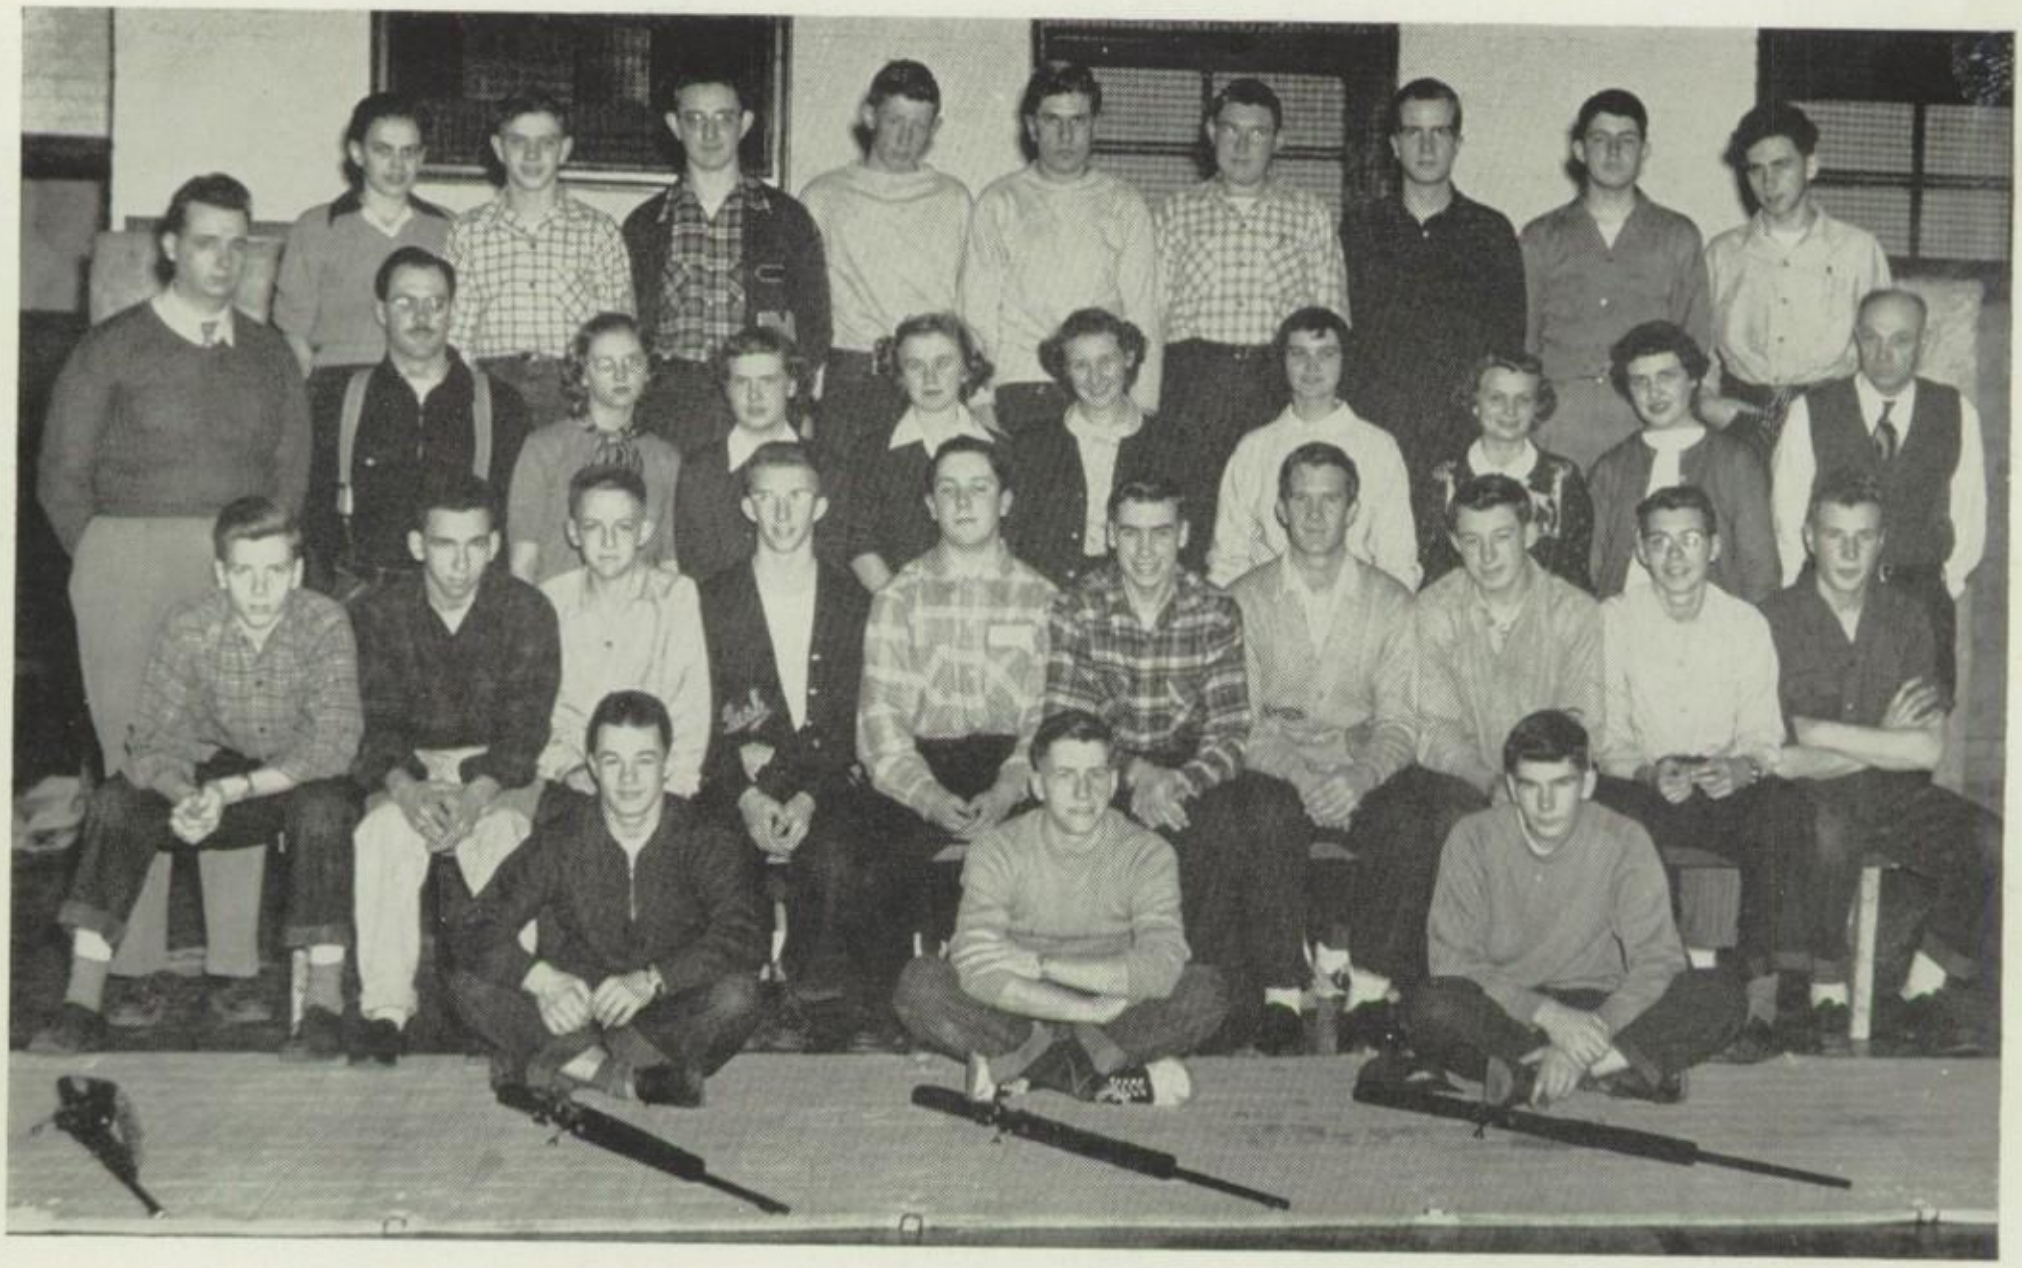
Row One: M. Thompson, Biederman, A. Thompson, Lacey, sec., Pfeiffer, treas., Bristol, pres., Lyons, Mason, Kenny, Behm.
Row two: M. Kruse, Tarr, Peterson, Wendel, Leet, Ayres, Schott, Tennant.
Row Three: S. Anderson, D. Anderson, Capper, J. Kruse, Makinen, Erickson, Miss Holbert, advisor, Martin, Lundbom, Boulanger, S. Johnson, I. Johnson.

Who're you looking for, Dar?

Tri-Hi-Y initiation

The newest club in the school is the Tri-Hi-Y. It was organized by the Hi-Y club last year, and members were initiated in September. Miss Holbert is the girls' advisor. The club meets bi-weekly. So far the girls have put on a fashion show and also a program for the child study club.

Rifle club fame depends upon aim



Row one: Grant, Johnson, Bauman.
Row two: Wurts, C. Wise, A. Wise, Johnston, Ingells, Edens, Howe, Olson, Wojciechowski, Madsen.
Row three: Simons, Coombs, Lacey, Field, Mason, Novak, Bouma, Gibson, Leet, Mr. Simons, advisor.
Row four: Amor, Hebner, Zawacki, Kuehl, Lijewski, Michalak, Greve, Townsend, Ross.

This is the twentieth year of operation for the Rifle Club. It was organized in 1930 and since then has made great progress under the capable supervision of Mr. Simons. Because of the scarcity of equipment, membership is limited to 35 members. The club is affiliated with the National Rifle Association and in the past has participated in N. R. A. regional matches.

Since there are no similar clubs in neighboring high schools, the local club has no one with which to schedule matches. However, a trip was made this year to Grand Haven to get acquainted with the rifle men in that city. Match competition is not emphasized because of the limited time the members have to practice.

Among the local marksmen, Bud Grant has advanced the farthest and has been awarded with many medals and emblems. Of primary importance to the club are the safe handling of the rifle and the essentials of good shooting.

HI-Y CLUB

The Hi-Y club is organized primarily to be of service to the school and community. It stands for clean living, clean speech, clean sports, and clean scholarship. Bi-weekly meetings are held in C-6, alternate ones being noon luncheons. Under the guidance of Mr. Radtke, the club has carried on many worthwhile projects.

During the past year the club has sent magazines to the hospital, distributed Easter seals, sent a Christmas gift box to a needy Virginia school, attended two churches, ushered at athletic events, sponsored M. R. A. dances, had a joint Rotary meeting, sent delegates to camp Hayo-Went-Ha and to the State Older Boys' Conference, assisted in civic projects, and held its annual sleigh ride and banquet, which was a boy-girl affair.

Two of our newer clubs

Warren Nickelson, James Wittliff, Viola Radtke, pres., Miss Tautges, advisor, Charlotte Kuenzer, sec., Rose Helminak, Doris Lyons, Robert Brooks.
Absent: Phillip Beebe, Arlene Rademaker.

The Bookworms, a newer club, has the duty of assisting Miss Tautges in the library as well as holding monthly social meetings.

For National Book Week the club distributed book marks which were designed by Diane Pfeiffer and printed in the high school print shop. The club also presented an assembly program which showed by a movie the processes involved in making a book. Viola Radtke has been president for two years and a member for three and one half years.

SKI CLUB

This year marks the second season for the M. H. S. Ski Club. Without snow there can be no skiing and that was the biggest problem of the club this year. The scheduled meet with Leelaunaw had to be canceled and also the high school meet at Caberfae. However, the club, with Carter Wurts as president, established a constitution and secured many new members. With lots of snow next year, the club should continue to be a great success.

Row one: Schindler, treas., Martin, sec., Close, vice pres., Wurts, pres.
Row two: Brooks, Capper, J. Kruse, Behm, Ramsdell, Eble, Deehr.
Row three: Racine, C. Wise, A. Wise, J. Wurts, Hamlin, R. Kruse, Mackin, Shirley.

Our Government

Sitting: Beverly Wendel, Mr. Bendle, Holland Capper, C. G. Schindler.
Standing: Mary Lou Janowiak, Bud Lindeman, James Nelson, Ken Cawthorne, Gordon Johnson.

The spirit of cooperation between students and faculty has run on a high plane this year. The guiding light behind the activities of the student council has been the spirit of cooperation and understanding. School spirit has risen to new heights as shown at football games, basketball games, and all school activities. At the end of last year an exciting election campaign was carried on to decide who would be this year's student council president. Amid speeches, bands, and posters the election was held with Holland Capper Jr. emerging as president.

This year, as one of its many activities, the student council took on the job of providing a standard platform for school elections. This was patterned after the one used in our national elections. Among the other activities sponsored or aided were pep meetings, homecoming game activities, the all school Christmas party, announcing of assemblies, recommendations on the selection of cheerleaders, and the Easter seal drive. They also helped on freshman orientation day.

The 1950 Manichigan Staff

Row one: Smithe, Schubert, Capper, Pfeiffer, board of editors.
Row two: Popa, Erickson, Adams, Schindler, Grant, Ingells, Thompson, Wurts, Polcyn.
Row three: Lacey, Wendel, Bristol, Kenny, Burden, Mason, Ziemba, Buckner, Schott, Ayres, Mr. Krause, adviser.

After much toil and struggle, we, the Board of Editors, finally present to you the 1950 Manichigan. Anyone who happened to drop into C-7 either fourth or sixth hour must have been surprised at the sight of such hurry-scurry and hustle-bustle among the industrious workers. Schubert slept in a corner, Smithe chewed his fingernails, Capper waxed his skiis, Polcyn swung a golf club, Pfeiffer read books on reducing, and Mr. Krause sneaked in a bit of poetic recitation while reminding us of the deadline. Somehow bits of work did get done and out of this mess emerged the greatest yearbook ever published. Yes, we are proud!

The first important job was the soliciting of advertising. Barton Erickson, advertising manager, and his capable assistants sold more pages of ads than were sold in any previous year. Picture adds were used for the first time this year.

C. G. Schindler had the tedious task of convincing four hundred unwilling students of the greatness of this annual. The sales campaign was opened with a presentation of a skit, "Louie Learns the Hard Way," featuring Roger Smithe as "Louie Lamebrain" and Fabian Polcyn as "Samuel B. Smart."

Carol Adams, business manager, kept an eagle-eye on our finances.

Holland Capper Jr. was the busiest person on the staff. This was the first year that all pictures were taken by a student photographer. Cap not only took all the pictures but he printed and developed them as well.

Scene from play presented to open sales campaign

More pages, more work, more pictures, more troubles, more editors, and more of everything were all molded together in the production of this 1950 Manichigan. Due credit should be given to the Board of Editors, consisting of Diane Pfeiffer, Holland Capper Jr., Frank Schubert, Fabian Polcyn, and Roger Smithe, and also to Mr. Krause, our advisor, whose vast experience has proved to be of great assistance.

Freedom of the Press

Row one: Pfeiffer, Kenny, Kruse, Kann, Miller.
Row two: Wendel, Smith, Ayres, Anderson, Makinen, Novak, Martin, Tarr, A. Thompson.
Row three: Popa, editor, Reed, Capper, Ingells, Schindler, Grant, Mr. Krause, advisor, D. Thompson, Adams, Erickson, Larson, Schubert, Bryck.

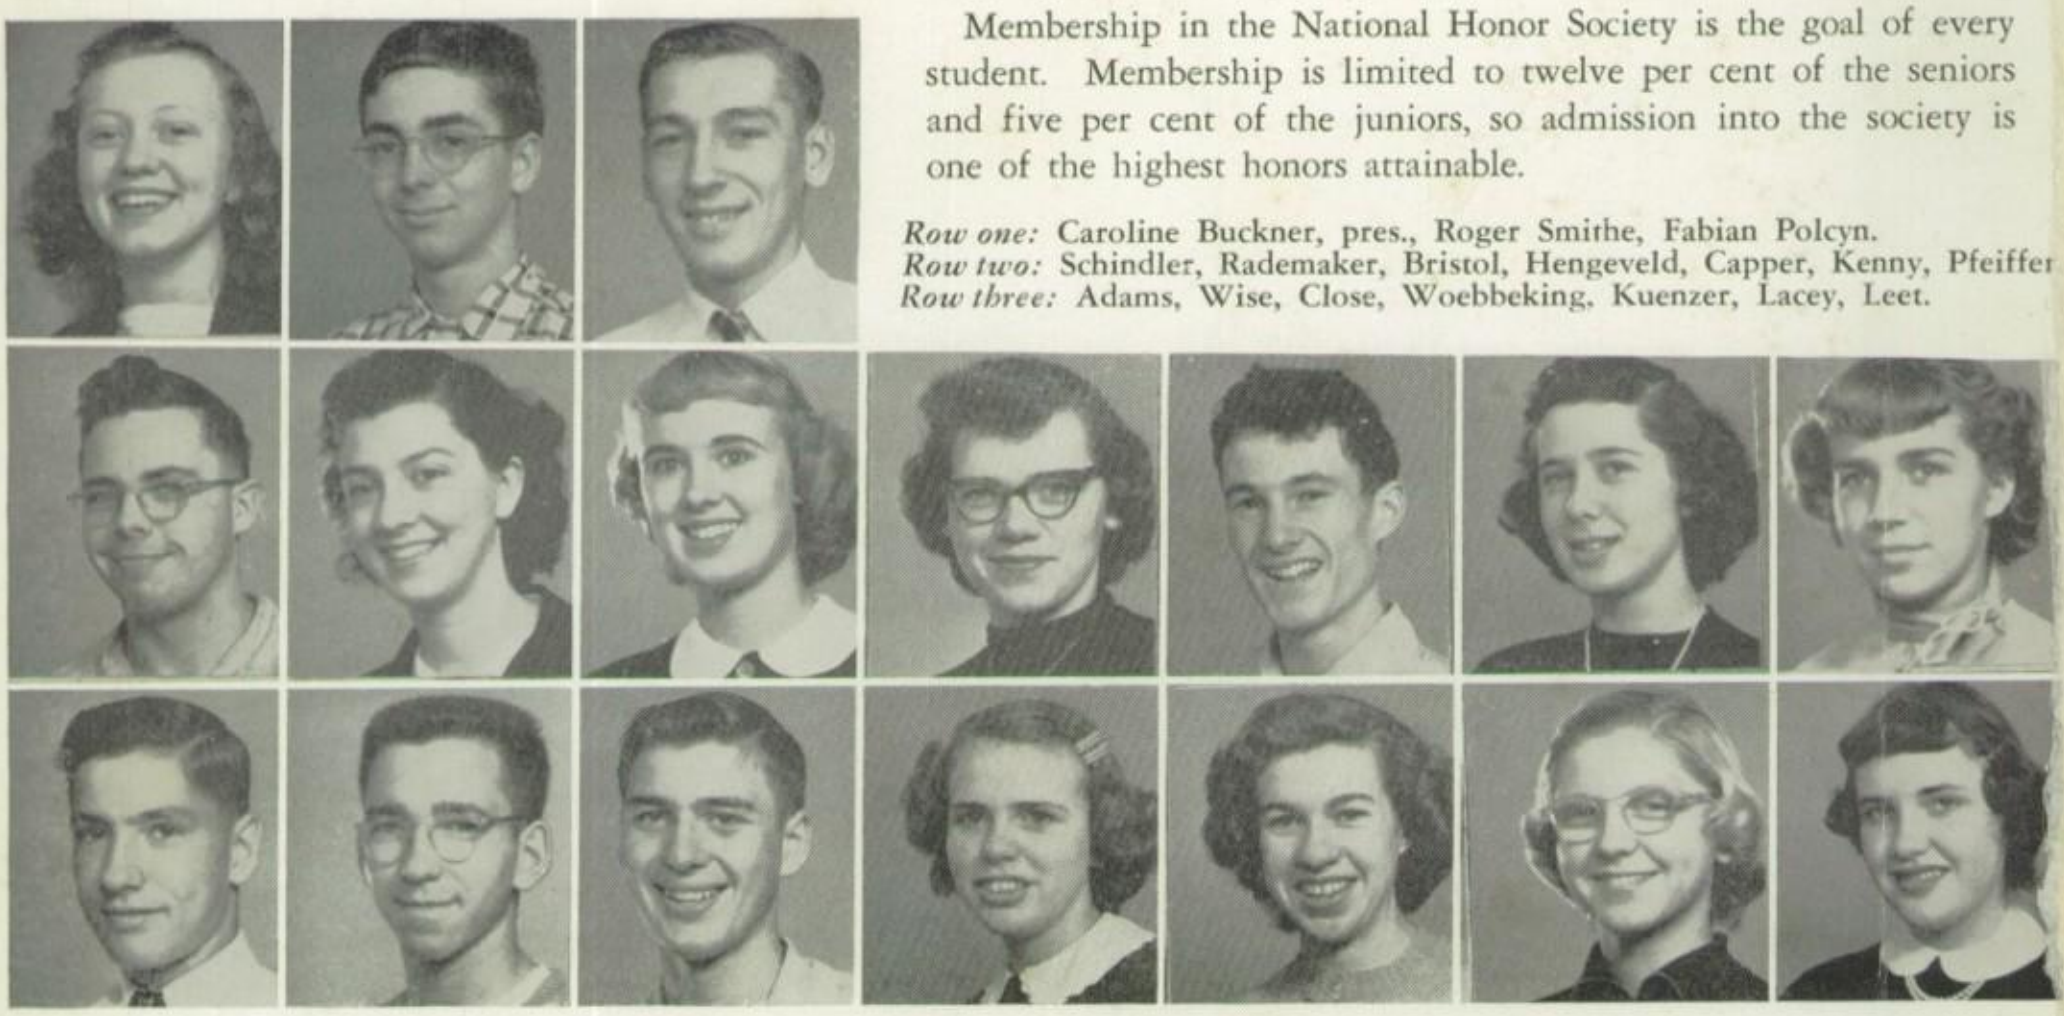
Many attempts were made to establish a school paper, and finally one is being published. Under the guidance of Mr. Krause, much untiring effort is being put forth in order that the students of Manistee High will have for their very own a school paper.

The staff of this year worked hard to secure ample equipment to extend the present newspaper. The equipment included a new typewriter, a new mimeograph machine, a mimeoscope, lettering guides, and numerous stencil cutting tools.

Bill Popa was Editor of the Chips for the past year. He worked long and hard to meet those last minute deadlines. Through his efforts and those of the staff, thirty-five issues were published over the school year, and this included a sixteen page Christmas edition containing original stories by senior English students. The Chips also published the Michigan Educational Association bulletin for the spring regional county conference.

"Oh! Just what I wanted." says Mr. Krause at Christmas party.

The School Masterminds



Membership in the National Honor Society is the goal of every student. Membership is limited to twelve per cent of the seniors and five per cent of the juniors, so admission into the society is one of the highest honors attainable.

Row one: Caroline Buckner, pres., Roger Smithe, Fabian Polcyn.
Row two: Schindler, Rademaker, Bristol, Hengeveld, Capper, Kenny, Pfeiffer
Row three: Adams, Wise, Close, Woebbeking, Kuenzer, Lacey, Leet.

CHEERLEADERS

Sally, Carol, and Janet.

Jane, Shirley, and Alyce.

Our cheerleaders, under the direction of Mr. Howe, have the important task of extending school spirit, and also maintaining the high morale of our athletic teams.

Behind camera: Holland Capper, Jr.
Junior cheerleaders: Joan, Mary Esther, and Joyce.
